

Fegy - Thank you so much for all of your help in creating our dream cabin. It turned out so great thanks to all of your recommendations. We've had so many people comment that it doesn't look like a manufactured home. It blends right in with all of the other cabins.

Thank you also for the beautiful wall art. We love it! It's hanging right in our living room. We can't wait for you to come over and see it.

Please enjoy a nice dinner with your girlfriend on us.

Sincerely,
Lance & Lisa Urabe

Claudia -

Thank you so much for all of your help with our project. It turned out great, and we couldn't have done it without you. You were so helpful in getting things done and we just wanted to say "thanks!"

Sincerely, Lance & Lisa Urabe

Dear Craig -

Thank you so much for all of your hard work on the cabin. It looks great... especially the boulders and the tree you saved. You are a hero!

For everything that you did, please enjoy a nice dinner with your wife.

Thanks again and hopefully we can work together on another project in the future.

Sincerely,
Lance & Lisa
