

Dear Lavon,

Just to let you know we have found a very lovely home in Escondido in a Senior community, just one block from our family.

We want to thank you for all the help you gave us in our search for a home. You were wonderful darling. We appreciated all the effort you put forth to help us find a home.

We will not hesitate to recommend Ma Williams Homes to anyone looking for a Manufactured home. The only way to go hey.

Sincerely,

Len & Carolyn Wolfe
