

To Whom It May Concern,

December 19, 2013

I would like to take this time to recommend Dennis, Kelly, Jenean, Sydney and all of the staff at Ma Williams to you. I want to make it clear that I was not asked to write this letter by anyone at Ma Williams, I just feel that they deserve the accolades. In the considerable amount of time that my wife and I spent with them regarding manufactured homes, we have found them all to be very professional, knowledgeable, very hard working and especially honest. They often went above and beyond what was required. They genuinely wanted us to be happy with our purchase. I strongly recommend that you work with them regarding your manufactured home needs. You will not be disappointed. Please call me if you have any further questions. 719-433-5477.

Most Sincerely,

Dr. Mark Hoffman
