FRANK EIKLOR
President

To the boss at Ma Williams

In buying our new home, we
couldn't have had a better
experience than we enjoyed at
your Hemet facilities.

Your whole crew is to
be commended - Claudia,
Mary, etc. But Sam Colan,
who sold us our home, comes
up for special praise.

What a guy - from
the moment we sat down at
his desk right through the
purchase, delivery & set-up
of the home - Sam was there
anytime - all the time - we needed
him. He is simply the best!!
