To Whom It May Concern:

My family and I recently had the pleasure of dealing with the great folks at "Ma Williams" when we purchased our new manufactured home. We were considering a "stick built" home, but after a couple of meetings with Fergy, we became convinced a manufactured home was right for us. Throughout the entire process of selecting and purchasing the home everyone was great – and we give a special thank-you to Fergy, Dennis, and Kelly.

Now that we are completely moved into our new home, I can say with complete assurance that I would have done it all over again – from the selection of our home, and certainly dealing with the folks at "Ma Williams".

Thank you again for making our home a reality,
